

16th September 2011

Dear Parents,

To celebrate Harvest we will be holding an Apple Day on Thursday, 22nd September. Children will gather apples from our tree in the playground and use them to create a variety of foods, artwork and games throughout the day which will culminate in a sale of produce from 3pm on Friday 23rd September.

Please could we ask all children to bring in an apron on Apple Day as everyone will be taking part. We would also like donations of different apple varieties and ask for clean plastic bottles (250ml or 500ml) to bottle the apple juice which the children will make.

Please could any apples be given to Mrs Margrie or Miss Kelly before this event. Any surplus will be available in our apple swap on Friday 23rd September.

Food and drink made by the children will be available for sale on Friday 23rd September. Prices will range from 50p to £1 and monies raised will be split between our school pet fund and a charity to support the victims of the Japanese Tsunami. This disaster greatly affected the people and farmers of Fukushima which is the major apple growing area of Japan.

Yours sincerely,

Miss Kelly
Sycamore Class Teacher
