Safeguarding Children Walking or Cycling to/from School

Dear Parents

As a school we have been reviewing our Walking/ Cycling to school policy. I know that some of our older children walk or cycle to or from school without an adult. We ask that you inform us if your child will be regularly walking/cycling to school without an adult so that a register can be compiled to identify should they not arrive at school at the appropriate time in the morning. If your child is absent please inform the school as normal.

(A copy of our full policy is available to read on our school website.)

Please complete the slip below and return this to the school office. If you do have any questions please feel free to ask them.

Yours sincerely
